did wrong. i had used product key and product type for x64 AMD processor.

Hello forum, I failed several times at installing Windows 8. bit on my Latitude E6510 (from July 2010). Windows bit was of issue. May 12, 2015 I have the same problem when trying to install windows 8.1. I have the version 1803 instead of 1809. I had to format my PC and download windows 8.1 x64. I burned it on a DVD and have a windows 8.1 x64 home pack. Jul 7, 2015 I've just installed windows 8.1 OEM on a new computer, and I'm trying to install my previous windows 8.1 Pro product key in a page called "Key Number", I'm having problems. I have tried changing the " Windows 8" to "Windows 8 Pro" and a product key. When

I try to insert the key I get a msg "no windows product key found". Jul 20, 2016
No "Windows Product Key" found? Did you try using the product number? For example: Msdn was using Product No. 71926-9800032 or 81926-9800032.
